

## PSL COVID-19 Guidelines for Play

All players must acknowledge by checking the box below, that they have read and will adhere to the following COVID-19 Guidelines during PSL play. Any player that fails to abide by these rules will be removed from the league and no refunds will be given.

### Arrival to Fields / Leaving Fields

- Players and umpires must adhere to six-foot social distancing upon arrival and at all times at the field / facility.
- Players and umpires must conduct a daily symptom assessment prior to arriving at field. Anyone experiencing symptoms or has come into contact with someone who has tested positive for COVID-19 in the last 14 days must stay home. \*
- Players and umpires are strongly recommended to travel to the games alone or with a member(s) of their immediate family / household.
- Players and umpires must sanitize using hand sanitizer provided upon arrival.
- Players must be registered on the active team roster on League Lab.
- Players must show ID upon arrival to the field. Any player not on the roster will not be allowed to play.
  - Acceptable forms of ID can be anything with your name that proves you match the name on the roster
- Players must social distance when congregating in common areas or parking lot following the game.

### Game Play

- Players must adhere to six-foot social distancing on AND off the field of play.
- No spectators or pets are allowed at games.
- It is recommended that players wear masks at all times.
- No alcohol is allowed to be brought to the fields and will be strictly enforced.
- No spitting, sunflower seeds, snot rockets, etc. allowed.
- Players must sanitize with provided sanitizer upon arrival to the field as well as anytime they come into contact with playing equipment (bats, balls, bases, etc).
- Players must bring and use their own water and water bottle. No team water coolers or shared drinking stations are permitted.
- Whenever possible, equipment and personal items should have proper separation and should not be shared amongst team players. If equipment must be shared within a team, proper sanitation should be administered between players.
- Players should adhere to the “No Touch Rule” by refraining from high fives, handshake lines, and other physical contact with teammates, opposing players, and umpires. A “tip of the cap” can be used following the game in lieu of handshakes.
- If a player develops symptoms while at a game, the player must immediately isolate and/or seek medical care.

\*Per the CDC, symptoms include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, and new loss of taste or smell.
