

PSL COVID-19 Guidelines for Play

All players must acknowledge by checking the box below, that they have read and will adhere to the following COVID-19 Guidelines during PSL play. Any player that fails to abide by these rules will be removed from the league and no refunds will be given.

Arrival to Fields / Leaving Fields

- Players and officials must adhere to six-foot social distancing upon arrival and at all times at the field / facility.
- Players and officials must conduct a daily symptom assessment prior to arriving at field. Anyone experiencing symptoms or has come into contact with someone who has tested positive for COVID-19 in the last 10 days must stay home. *
- Players and officials are strongly recommended to travel to the games alone or with a member(s) of their immediate family / household.
- Players and officials are encouraged to sanitize using hand sanitizer provided upon arrival.
- Players must be registered on the active team roster on League Lab.
- Players must show ID upon arrival to the field. Any player not on the roster will not be allowed to play.
 - Acceptable forms of ID can be anything with your name that proves you match the name on the roster
- Players should be mindful of the spaces (bleachers, dugouts, etc) needed for the teams whose games are in progress and leave space for arriving teams to safely prepare for their games.

Game Play

- Players must adhere to six-foot social distancing on AND off the field of play.
- It is recommended that players wear masks at all times; masks should be worn when social distancing guidelines cannot be maintained.
- No spitting, sunflower seeds, snot rockets, etc. allowed.
- Players are encouraged to sanitize with provided sanitizer upon arrival to the field / facility as well as anytime they come into contact with playing equipment (bats, balls, bases, etc).
- Players must bring and use their own water and water bottle. No team water coolers or shared drinking stations are permitted.
- Whenever possible, equipment and personal items should have proper separation and should not be shared amongst team players. If equipment must be shared within a team, proper sanitation should be administered between players.
- Players should adhere to the “No Touch Rule” by refraining from high fives, handshake lines, and other physical contact with teammates, opposing players, and umpires. A “tip of the cap” can be used following the game in lieu of handshakes.
- If a player develops symptoms while at a game, the player must immediately isolate and/or seek medical care.

*Per the CDC, symptoms include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, and new loss of taste or smell.
