

Outdoor Sports COVID-19 Guidelines

Guidelines and Modifications

Category	Guidelines and Modifications
General	<ul style="list-style-type: none"> • All requirements to be shared with players and umpires prior to first game. • Players must certify having read and understood guidelines and rules prior to first game through the registration process.
Expectations	<ul style="list-style-type: none"> • Officials and players must adhere to six-foot social distancing on and off the field of play. • Officials and players must conduct daily symptom assessment. Anyone experiencing symptoms or has come into contact with someone who has tested positive for COVID-19 in the last 10 days must stay home. * • If anyone develops symptoms while at a game, the person must immediately isolate and/or seek medical care. • No spitting, sunflower seeds, snot rockets, etc. while at fields • Players must be registered on the active team roster on League Lab. • Players must show ID upon arrival to the field for week 1 and playoffs. Any player not on the roster will not be allowed to play. <ul style="list-style-type: none"> • Acceptable forms of ID can be anything with your name that proves you match the name on the roster.
Recommendations	<ul style="list-style-type: none"> • Officials and players are encouraged to wear masks. • Officials and players are encouraged to sanitize upon arrival to the field as well as anytime they come into contact with playing equipment (bats, balls, flags, bases, etc). • Players should bring and use their own water and water bottle. • Whenever possible, equipment and personal items should have proper separation and should not be shared amongst team players. If equipment must be shared within a team, proper sanitation should be administered between players. • Players should adhere to the “No Touch Rule” by refraining from high fives, handshake lines, and other physical contact with teammates, opposing players, and umpires. A “tip of the cap” can be used following the game in lieu of handshakes. • Players should be mindful of the spaces (bleachers, dugouts, etc) needed for the teams whose games are in progress and leave space for arriving teams to safely prepare for their games. • Players are recommended to travel to the games alone or with a member(s) of their immediate family / household. • It is not recommended to share equipment between teams

*Per the CDC, symptoms include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, and new loss of taste or smell.
